Changes to buses in Hornchurch and Upminster

from Saturday 14th September 1991

Buses in Hornchurch and Upminster are changing. Our aim is to provide you with services that meet all your needs. Running where you want to go, when you need them. Services that are convenient and reliable.

All routes will continue to be operated by the same companies for London Transport.

You'll also find details of other routes, including the 256, 346 and 550, which are not changing but which help to make this leaflet a complete guide to your new local London Transport bus services. We hope you find it useful.
